Dave:

I believe you received your own copy of the attached report provided by the OF Plans and Systems Staff. On the off chance that you didn't, I thought I'd forward another for your information. This report does not include fees collected [redacted] but I'm advised that they have collected fees for the months of November and December 1979. With their collections added to the total, we should be pretty much on target for the \$165,000 estimated for CIA for fiscal year 1980.
